

2010 LPG Award List

Could your services use a little extra funding? This year the Office of EMS/Trauma Systems Coordination received 106 Local Project grant applications. Of those, 84 project grants were approved for funding. Emphasis was placed on grants that would upgrade the level of services available, reduce response time or improve patient care capabilities.

Next year's Request for Proposals is expected to be published electronically in the spring of 2010. And, as usual, we will mail out a reminder just after publication. Questions? Contact Linda Reyes at (512) 834-6684, or e-mail linda.reyes@dshs.state.tx.us

Alamo Heights Fire/EMS San Antonio Bexar \$7,600 stair chairs; stretcher; advanced cardiac life support course tuition; pediatric advanced life support course tuition	Brazos \$12,000 cardiac monitor/defibrillators	regulators; D-Oxygen cylinders; stethoscopes; glucose monitors; thermometers; radios; splints; manual suction pumps; GPS units; flashlights; channel lock rescue tools; automated external defibrillators	\$697 desktop computer	Glenn Heights Fire Department Glenn Heights Dallas-Ellis \$35,000 ambulance
